

RESIDENT ACTIVITY LOG

Operators, Resident Managers and caregivers shall **make available at least six hours of activities** to residents each week, not including television, movies, adult day care, vocational programs. Visits from family or friends can count for only two hours of the required activities per week. The activities shall be of interest to the residents and should be appropriate to the resident's interests and abilities. Residents may choose whether or not to participate in any activity. MCAR 023-080-905
