Program Description

This program offer funds the Director’s Office, administrative operations and the communications team, and partially funds the equity team for the Homeless Services Department (HSD). The department is the backbone supporting a collective impact approach to preventing and ending homelessness in the City of Portland and Multnomah County. The HSD manages resources from Multnomah County, the City of Portland, the regional Supportive Housing Services measure administered by Metro, the State of Oregon, and the U.S. Department of Housing and Urban Development (HUD) to fund community initiatives and programs to make homelessness a rare and brief experience.

Homelessness is an ongoing crisis in the City of Portland and Multnomah County. In the last several years, the community has come together and responded in unprecedented ways. The HSD represents a shared commitment between multiple local jurisdictions to expand, improve, and simplify access to the range of services needed to address homelessness in the community. The department administers contracts for homeless services, plans and manages systems of care, oversees system reporting and evaluation, conducts unsheltered homeless counts, and writes proposals to and monitors funds issued by HUD. These operations affect the lives of thousands of homeless individuals, youth, families, and survivors of domestic violence in the community. Through the HSD, funds are contracted to more than 70 nonprofit and public agencies to provide a comprehensive range of services to assist people experiencing or at-risk of homelessness. The department receives funding and policy direction from the Metro Supportive Housing Services Measure passed by the voters of the region, the State of Oregon, the City of Portland, and Multnomah County as well as the City of Gresham and Home Forward.

The Director’s office is responsible for ensuring that the department meets its strategic objectives while furthering a culture that supports a diverse and qualified workforce. The office is a primary liaison to Federal, State, County, and local elected officials. The Director works with other County departments and community partners to further innovation in homeless services. The director also works with a wide range of local organizations, provider systems and other counties to implement homeless services across the region.

The Director’s Office convenes the department’s leaders to provide strategic direction, solve shared problems, ensure organizational alignment, and assume collective responsibility for the department’s performance in service to its mission.
