**Program Summary**

The Multnomah County Local Implementation Plan (LIP) for the Measure sets out a range of strategies to reduce homelessness by increasing permanent housing and wrap around services for those experiencing, or at risk of, chronic homelessness and episodic homelessness. The LIP strategies prioritize the Measure commitment to eliminating racial disparities among people experiencing chronic and episodic homelessness. The LIP identifies the necessity of building capacity within the JOHS to successfully implement the Measure and commits to supporting ongoing planning that centers the voices of those with lived experience and Black, Indigenous and other People of Color (BIPOC).

This program offer funds expanded administrative capacity to support Measure implementation. This expanded capacity allows the JOHS to: (1) continue engaging the community in Measure program development while centering the voices of BIPOC and those with lived experience of homelessness, severe disabling conditions, and other intersecting marginalized identities, including LGBTQIA2S+; (2) engage County departments in developing housing-focused programming that intersects with other systems of care, system partners in program development and expansion, and Tri-County partners in regional system coordination and development; and (3) provide the public and key stakeholders with regular information on the outcomes achieved through the Measure investments.

The decrease in funding within this offer is due to the one-time allocation of resources to Debt Service in FY 2022 for an Interfund Loan from the Risk Fund approved by the Board in FY 2021. The Board approved this loan to fund Measure implementation activities, including capacity building within the JOHS, prior to the availability of Measure revenues.
