**Executive Summary**

With Metro Supportive Housing Services Measure (Measure) funding that is dedicated to reducing homelessness through strategies that lead with racial equity, this program offer funds the capacity needed for the extensive and ongoing oversight and planning work - both local and regional - outlined in the Measure and the County's Local Implementation Plan (LIP). This program offer also funds capacity to staff the JOHS community advisory structure, including the local and regional measure advisory bodies, and to organize and lead community-engaged planning in areas identified in the LIP.

**Program Summary**

The County's LIP for the Measure sets out a range of strategies to reduce homelessness by increasing permanent housing and wrap around services for those experiencing, or at risk of, chronic homelessness and episodic homelessness. The Measure and the LIP recognize both the need for an ongoing advisory structure at the county level, and at the regional level, to oversee implementation and continued engagement with a wide range of stakeholders - in particular people with lived experience of homelessness and Black, Indigenous, and other People of Color (BIPOC) communities. The Joint Office of Homeless Services (JOHS) will lead this countywide and regional engagement and planning work in partnership with partners in Washington and Clackamas Counties.

This offer will allow the Policy, Planning, & Regional Coordination team to: (1) facilitate the JOHS community advisory structure, including the local and regional Measure advisory bodies; (2) represent the JOHS in regional Measure advisory structure development efforts; (3) organize and lead community-engaged planning in areas identified in the LIP and elsewhere as needed; and (4) ensure that Measure-related planning aligns with planning efforts underway with HUD, the State of Oregon, other county departments, and in each of the population-specific systems of care.

Consistent with the values of the JOHS, the Measure, and the LIP, this team will work with the community to create structures and planning processes that center the BIPOC voices and those with lived experience of homelessness, severe disabling conditions, and other intersecting marginalized identities, including LGBTQIA2S+.

This program offer also allocates the required 5% of projected Measure revenues to support regional investment priorities.
