Executive Summary

Using Metro Supportive Housing Services Measure (Measure) funding that is dedicated to reducing homelessness through strategies that lead with racial equity, this program offer funds an expanded housing-focused shelter/transitional housing response, including program implementation capacity and support for continued operations at several newly acquired or leased congregate and motel-shelter locations. Expanded year-round shelter programming focuses on increasing access for overrepresented Communities of Color, as well as for individuals needing access to enhanced behavioral health supports, and creating shelter capacity in underserved areas of the County

Program Description

The Multnomah County Local Implementation Plan for the Measure (LIP) sets out a range of strategies to reduce homelessness by increasing permanent housing and wrap around services for those experiencing, or at risk of, chronic homelessness and episodic homelessness. The LIP strategies prioritize the Measure’s commitment to eliminating racial disparities among people experiencing chronic and episodic homelessness. The LIP also recognizes the need for investments in a continuum of pre- and post-housing services, including shelter services that support successful transitions to permanent housing.

This program offer funds continued implementation of the Joint Office of Homeless Services (JOHS) community-based and housing-focused shelter expansion strategy, including the property management and operating expenses associated with: (1) two publicly owned congregate shelters for adults, one in North Portland and one in the Central City, which combined provide approximately 200 beds; (2) three publicly owned motel shelters, one in Gresham, one in Southwest Portland, and one in mid-county, which together offer approximately 120 rooms of shelter for adults; and (3) a leased motel in Northeast Portland with 130 rooms for adults.

In addition, this program offer funds staffing capacity in the JOHS dedicated to the identification, development, programming, and contract management of the expanding shelter system.
