Executive Summary

With Metro Supportive Housing Services Measure (Measure) funding that is dedicated to reducing homelessness through strategies that lead with racial equity, this program offer sustains and expands capacity for the Homeless Family System of Care (HFSC). The HFSC is a collaboration between Multnomah County and community partners, a majority of which are culturally specific agencies. Through this program offer, the HFSC, in partnership with Family Futures, Neighborhood House, and the Federal Housing Choice Voucher & Emergency Housing Voucher programs, will maintain and expand current capacity to house and provide retention support services to hundreds of families experiencing homelessness.

Program Summary

The Multnomah County Local Implementation Plan (LIP) for the Measure sets out a range of strategies to reduce homelessness by increasing permanent housing and wrap around services for those experiencing, or at risk of, chronic homelessness and episodic homelessness. In alignment with priorities outlined in the LIP, this program offer funds housing placement and retention services for families with children who are doubled up in housing, living in shelter, or living unsheltered in Multnomah County.

The HFSC is the primary coordinated effort to assist families experiencing homelessness to make a rapid and sustainable transition back into permanent housing. It is a collaboration of agency leaders and direct service staff that practice shared budgeting, leveraging of resources, shared accountability, case consultation and ongoing process improvement. The system has shared values that include the practice of assertive engagement, using an equity lens to advance racial and social justice, and a shared commitment that all families should be housed. The majority of agencies in the collaborative are culturally-specific providers. Families receive barrier mitigation and navigation services to increase access to housing and promote long term housing retention.

When combined with 30301A - Housing, this program provides more than 1,000 households with housing placement/retention services, including short- to medium-term flexible rent assistance (0-24 months) and client assistance. In FY 2021, nearly 70% of the families served through the Mobile Housing Team identified as being from communities of color, achieving the goal of improving access and outcomes for these communities.

This program offer also funds housing placement and retention services for families receiving the Emergency Housing Voucher (EHV) assistance. Families will access safe, stable and affordable housing subsidized by leveraged Federal Vouchers. This program offer provides culturally specific retention services to support families in remaining in permanent housing.
