Program Characteristics: One-Time-Only Request

Executive Summary

The Joint Office of Homeless Services (JOHS) has prioritized a range of highly effective strategies to transition people from emergency shelter into housing and to ensure retention of that housing. This program offer funds adult-only and family households to exit emergency shelter using limited duration rental assistance, innovative multi-agency mobile housing placement and retention support staffing, as well as culturally specific services. This funding prioritizes serving adult and family households experiencing chronic homelessness and a high-risk of complications.

Program Description

Prioritizing permanent rehousing resources to people in emergency shelters serves two critical purposes. First, it provides individuals in shelter the opportunity to end their homelessness by returning to permanent housing with the supports needed to retain that housing. Second, each individual who moves out of a shelter bed and into housing creates capacity in the shelter system to serve additional households who are still unsheltered and have not yet been able to locate a permanent housing option.

This program offer funds short- and medium-term rental assistance, move-in and barrier mitigation, and case management services to help people access and retain permanent housing.

This program offer funds multiple housing placement teams, including at least one culturally specific program, dedicated to helping participants in JOHS-funded shelters to access and retain permanent housing. In addition, the program offer funds an expansion of mobile shelter in-reach services to connect people in alternative and other shelter programs that lack housing placement capacity to permanent housing opportunities. The in-reach teams include staff from culturally-specific, domestic violence and behavioral health providers to assist adults in emergency shelter settings to more quickly exit shelter and return to housing. This program offer supports the capacity to assist at least 370 households in shelter with permanent housing placement and retention services.
