

Division: Housing Placement & Retention

Program Characteristics:

Program Description

This program offer funds housing placement, eviction prevention, and support services for survivors of domestic and sexual violence (DV/SA), designed to ensure swift transition from homelessness and/or emergency shelter into safe, stable housing.

Known as “Rapid Rehousing” (RRH) —a recognized best practice—the programs offer flexible rent assistance, dedicated support staffing, and case management. RRH as an intervention has low barriers to entry, provides flexibility in problem solving, and has low rates of return to homelessness. This program offer leverages state and federal funding to support housing for survivors of domestic violence.

This housing placement and retention strategy focuses on the following program models: Shelter Diversion, Rapid Rehousing (RRH), Long-Term Rapid Rehousing, Permanent Housing, Shelter In-Reach, and Community Outreach.

Equity Statement

This program includes elements focused on serving Black, Indigenous, and other People of Color survivors. The DVHA program, for example, grants 1 FTE Housing Advocate to 4 DV/SA culturally specific agencies to increase access for Black, Latinx, Native, and Immigrant and Refugee survivors. Newer programming provides rental assistance and supportive services for longer periods of time allowing households and families to stabilize, address barriers, and meet long-term goals.
