**Executive Summary**

The Joint Office of Homeless Services prioritizes a range of effective housing placement and retention strategies in order to reduce homelessness among highly vulnerable adult households, including seniors. The JOHS holds achieving racial equity as a core goal, and eliminating disparate rates of homelessness on the basis of race and ethnicity must be a focus of all housing placement and retention programming. This program offer supports existing programming, including rent assistance, housing placement and retention, and supportive services to provide stability for seniors experiencing or at risk of homelessness.

**Program Summary**

People over the age of 55 make up one of the fastest growing segments of the population experiencing homelessness, and the most recent Point In Time Count (2019) showed a 75% increase in the number of people over 70. For the majority of seniors experiencing homelessness, returning to permanent housing requires some combination of housing placement, retention support staffing, rental assistance and benefits acquisition assistance.

This program offer funds housing placement and retention strategies developed and coordinated through JOHS, specifically targeted to meet the permanent housing needs of seniors. These targeted investments highly leverage other Federal, State and local resources, including Medicaid, affordable housing units and permanent rental subsidies to support the needs of seniors experiencing homelessness. Services are delivered by a highly-skilled nonprofit organization that specializes in serving the senior population.
