Executive Summary

With Metro Supportive Housing Services (Measure) funding that is dedicated to reducing homelessness through strategies that lead with racial equity, this program offer funds an expansion of services essential to achieving stable, long term housing outcomes for homeless youth. Services include housing navigation, housing placement, retention and assertive engagement services.

Program Summary

The Multnomah County Local Implementation Plan (LIP) for the Measure sets out a range of strategies to reduce homelessness by increasing permanent housing and wrap around services for those experiencing, or at risk of, chronic homelessness and episodic homelessness. In alignment with priorities outlined in the LIP, this program offer leverages Federal long-term rent assistance vouchers by funding housing navigation, placement, and stability assistance for youth under the age of 25 who are served by the Homeless Youth Continuum, a highly coordinated system of care comprised of four nonprofit agencies, including a culturally specific agency.

These resources will support housing navigation, placement and retention services for 125 youth receiving Emergency Housing Voucher (EHV) assistance and Fostering Youth to Independence (FYI) vouchers. Funds will also provide additional Assertive Engagement (AE) capacity in the Continuum for over 80 youth to transition to stable housing by providing assessment, planning, and support through a service model that is relationship-focused, mobile, and operates throughout Multnomah County. AE staff provide linkage to education, employment, health, mental health and addictions treatment, housing services, and on-going housing stability supports.

To drive down racial disparities in the experience of homelessness and COVID-19-related housing instability, Black, Indigenous, and People of Color (BIPOC) communities will be overrepresented in access to and success in the Emergency Housing Voucher and Fostering Youth to Independence Voucher Programs.
