**Executive Summary**

The Joint Office of Homeless Services (JOHS) convenes a coalition of partners around the ongoing effort to end homelessness among Veterans. This program offer leverages of U.S. Housing and Urban Development and Veterans Affairs resources, as well as State of Oregon Emergency Housing Assistance funds, to meet the short-term rent assistance and barrier mitigation needs of Veterans who become homeless in the community. This program will help more than 250 Veteran households end or prevent their homelessness.

**Program Summary**

Ending homelessness among Veterans continues to be a priority in our community. However, hundreds of Veterans continue to become homeless every year, and the Point-in-Time count conducted in January 2019 identified 474 people who identified themselves as Veterans.

The capacity to house Veterans depends, to a significant extent, on Federal funding in the form of Veterans Affairs Supportive Housing (VASH) and Supportive Services for Veteran Families (SSVF). It also relies on a commitment of 50 Housing Choice Vouchers and 50 subsidized housing units by Home Forward. While it is anticipated that Federal funding will remain available in FY 2023, these Federal funds are not enough to help Veterans move into housing if they have significant barriers or lack security deposit funds. The Federal funds also have limitations on eviction prevention assistance and eligibility restrictions that limit who among Veterans experiencing homelessness can be served.

The flexible rent assistance and barrier mitigation funds available through this program offer allow nonprofit organizations to assist Veterans with an array of housing services. This includes security deposits, helping with utility and past property debts, limited term rent assistance, legal fees, and moving fees. Additionally, this program offer funds culturally-specific operations that support the engagement, assessment, and referral of Veterans for housing services.

**Performance Measures Descriptions**

The COVID-19 pandemic, which began in FY 2020, has significantly impacted the performance measures associated with this program offer.

\*The basis for "Placed & Retained" has been changed from Entry Date to Housing Move-in date, consistent with an FY 2022 change to the measure in systemwide reporting, and "Enrolled," which is based on Entry Date, has been added for more robust reporting and to preserve continuity with reporting in previous years.
