Executive Summary

The Joint Office of Homeless Services (JOHS) has prioritized a continuum of services, from outreach, to shelter, to permanent housing, for people experiencing long-term homelessness and living with behavioral health conditions, including substance use disorders. This program offer funds the outreach, supportive housing, and treatment access services for individuals experiencing or at risk of long-term homelessness referred through the Portland Police Bureau’s Service Coordination Team (SCT).

Program Description

The JOHS has a strategic plan to reduce chronic homelessness, and the Metro Supporting Housing Services Measure Local Implementation Plan (LIP) specifically prioritizes achieving a significant reduction in chronic homelessness. Using City of Portland general funds, the SCT programming funded in this program offer advances these objectives by funding critical short- and long-term housing and recovery support services for chronically homeless people, and those at risk of chronic homelessness, who have frequent contact with the criminal justice system connected to their behavioral health conditions.

The SCT is a program established by the Portland Police Bureau in partnership with community housing and social services providers. The program's goal is to divert individuals who are experiencing homelessness and living with behavioral health conditions - in particular substance use disorders - from future contact with the criminal justice system by connecting them with supportive housing and treatment resources.

Individuals referred through the SCT program have access to low-barrier/short-term stabilization housing where they have direct access to support services, including behavioral health and addictions treatment. They also have access to alcohol and drug free housing where they receive case management services that offer client-driven, flexible approaches based on individual needs, which are intended to lead to long-term recovery services. For individuals who transition to permanent housing, this program provides home-based retention services that include access to outpatient substance abuse treatment services, financial assistance, eviction prevention, and resources and guidance on improving self-sufficiency through financial improvements and long-term recovery skills.
