Executive Summary

JOHS has prioritized supportive housing programs to meet the needs of families with long-term experiences of homelessness and at least one family member who has a significant disability. The JOHS holds achieving racial equity as a core goal, and eliminating disparate rates of homelessness on the basis of race and ethnicity must be a focus of programming. This program offer funds longer-term rent assistance and wrap around support services to help move families from homelessness into permanent housing. Supportive housing strategies are nationally recognized best practices and can leverage existing market-rate and new affordable housing.

Program Description

JOHS prioritizes equitable housing solutions for families with children experiencing homelessness. While many families experiencing homelessness are well served by rapid rehousing strategies, there are families with long-term or recurring experiences of homelessness, very often with household members with significant disabling conditions, that require supportive housing to achieve long-term stability. These families make up an increasing percentage of the long-term stayers in the family shelter system, because they lack the support needed to overcome their barriers to housing.

This program offer addresses the needs of long-term shelter families by expanding supportive housing resources for them, offering access to permanent housing to the families and thereby freeing up scarce and expensive shelter capacity for other families. Families in this program receive up to 24-month rental assistance vouchers and wraparound services. While not a permanent rental subsidy, the 24-month subsidy is long enough to leverage existing market-rate and newly developed or acquired affordable housing and to use progressive engagement strategies to either transition families off of subsidies altogether or, if needed, on to a more permanent subsidy program.

The Homeless Family System of Care (HFSC) is the primary coordinated effort to assist families experiencing homelessness make a rapid and sustainable transition back into permanent housing. The system has shared values that include the practice of assertive engagement, using an equity lens to advance racial and social justice, and a shared commitment that all families should be housed. The majority of agencies in the collaborative are culturally specific providers.

This program offer funds PSH programming designed to meet the needs of Black, Indigenous, and People of Color (BIPOC) families experiencing homelessness. The programs include rental assistance provided through the Regional Long-term Rent Assistance (RLRA) program administered by Home Forward, and services provided by a range of non profit partners.

Performance Measures

Measure Type	Primary Measure	FY22 Actual	FY23 Budgeted	FY23 Estimate	FY24 Offer
Output	Number of families placed into or retained in permanent housing*	64	55	50	75
Outcome	Percentage of people not returning to homeless services within a year of exiting a program to housing*	89%	80%	89%	80%
Outcome	BIPOC placed or retained rate as high or higher than percent of HUD homeless population*	Yes	Yes	Yes	Yes

Performance Measures Descriptions

*The basis for ""Placed & Retained"" has been changed from Entry Date to Housing Move-in date, consistent with an FY 2022 change to the measure in systemwide reporting.

The increase in Regional Long-Term Rent Assistance Costs is driving the reduced offer for FY 2024. As these costs increase, the total number of people placed and retained in permanent housing with a set budget decreases proportionally.
