Executive Summary

With Metro Supportive Housing Services Measure (Measure) funding that is dedicated to reducing homelessness through strategies that lead with racial equity, this program offer funds tenant-based permanent supportive housing (PSH) programs that are specifically designed to meet the needs of families experiencing homelessness. The programs funded with this program offer leverage Federal Housing Choice vouchers (long-term rental subsidies) and create new local long-term rental vouchers and wrap-around support services dedicated to families with minor children that are extremely low-income, have at least one member with a serious disabling condition, and have long-term or frequent episodes of homelessness.

Program Summary

The Multnomah County Local Implementation Plan (LIP) for the Measure sets out a range of strategies to reduce homelessness by increasing permanent housing and wrap around services for those experiencing, or at risk of, chronic homelessness and episodic homelessness. In alignment with priorities outlined in the LIP, this program offer funds at least 50 new tenant-based permanent supportive housing (PSH) opportunities and an expansion of site based PSH in the Homeless Family System of Care.

The Homeless Family System of Care (HFSC) is the primary coordinated effort to assist families experiencing homelessness to make a rapid and sustainable transition back into permanent housing. The system has shared values that include the practice of assertive engagement, using an equity lens to advance racial and social justice, and a shared commitment that all families should be housed. The majority of agencies in the collaborative are culturally specific providers.

This program offer funds PSH programming specifically designed to meet the needs of Black, Indigenous, and People of Color (BIPOC) families experiencing homelessness. The programs include rental assistance provided through the Regional Long-term Rent Assistance (RLRA) program administered by Home Forward, and services provided by a range of nonprofit partners. RLRA operates similarly to the U.S. Department of Housing and Urban Development's (HUD) Section 8 program where households pay about 30% of their income towards rent and utilities and the housing authority pays the rest. RLRA was intentionally designed to be low barrier and serve people who are often screened out of HUD's Section 8 program.
