**Executive Summary**

Multnomah County’s Metro Supportive Housing Services Measure (Measure) Local Implementation Plan (LIP) calls out the importance of aligning the work of multiple county departments around the commitment to preventing and ending homelessness. This program offer provides Measure funding to better serve participants experiencing or at risk of homelessness in the Youth and Family Services (YFS), Aging Disability and Veteran Services (ADVSD), and Individuals with Developmental Disabilities (IDD) divisions of the Department Of County Human Services (DCHS).

**Program Summary**

The Multnomah County’s Measure LIP recognizes the importance of aligning ending homelessness efforts across County Departments, including between DCHS and the JOHS. This program offer specifically funds programs that will advance the LIP’s commitment to racial equity, connect people being served by JOHS programs to critical DCHS resources, and connect those being served by YFS, ADVSD, and IDD to critical permanent housing opportunities. Specifically, the program offer funds:

- An expansion of the YFS Multnomah Stability Initiative (MSI) program for families to help homeless families housed through the Homeless Family System of Care (HFSC) successfully transition into that program and gain the long-term housing stability and asset building opportunities that MSI offers.
- A pilot project to provide peer-support housing retention services, to enhance the long-term housing stability of families and individuals participating in DCHS-supported housing programs, thereby improving housing retention and reducing the number of people becoming homeless.
- Mobile assessment workers in ADVSD and IDD who can partner with JOHS funded outreach and shelter programs to ensure that people experiencing unsheltered and sheltered homelessness are being assessed and, as appropriate, enrolled in enhanced Medicaid and IDD services, and have access to the critical support services that accompany that enrollment.
- Provide ADVSD and IDD capacity to partner with the JOHS to develop and implement new enhanced permanent supportive housing that meets the service support needs of chronically homeless participants in those DCHS programs.

Significant Program Changes

**Last Year this program was:** FY 2022: 30400D Supportive Housing - Metro Measure Expansion - Countywide

This program offer now includes investments in DCHS staffing that was previously budgeted in 30400D - Supportive Housing Metro Measure Expansion - Countywide Coordination. This change was made to allow for greater visibility into the investments being made in DCHS programming.

As part of the FY 2022 Adopted budget, the Joint Office of Homeless Services budgeted a 1.00 FTE Program Specialist Sr. position for DCHS. During FY 2022, that position was moved to DCHS for the purposes of hiring and management. In FY 2023, relevant positions are in their respective departments, while funding for the positions remains in the Joint Office.
