Program Description

This program offer sustains critical capacity employment and housing initiatives, with an emphasis on meeting the needs of families, youth, and Communities of Color. All programs assist households experiencing homelessness or housing instability by offering a combination of housing assistance and access to a range of workforce supports, provided in a culturally specific and responsive manner. - Youth Employment Services provide capacity to Homeless Youth Continuum (HYC) partners to improve employment and housing alignment through pre-readiness support, job training, day labor opportunities, and work experiences/internships.
- Equitable Access to Employment, implemented by a culturally-specific provider, supports individuals and families seeking employment and experiencing homelessness to secure employment services.
