**Executive Summary**

With Metro Supportive Housing Services Measure (Measure) funding that is dedicated to reducing homelessness through strategies that lead with racial equity, this program offer funds a significant expansion of employment-related programming focused on creating low-barrier employment opportunities for people experiencing homelessness. Employment programs include initiatives around trash removal, public space maintenance, and hygiene services. Participants earn income, develop job skills, and establish a recent work history.

**Program Summary**

The Multnomah County Local Implementation Plan (LIP) for the Measure sets out a range of strategies to reduce homelessness by increasing permanent housing and wrap around services for those experiencing, or at risk of, chronic homelessness and episodic homelessness. The LIP strategies prioritize the recommendations of the community and Measure commitment to eliminating racial disparities among people experiencing chronic and episodic homelessness. The LIP also recognizes that in this initial phase of Measure funding, there is a priority need to address the economic impact of COVID-19, which threatens to displace large numbers of disproportionately Black, Indigenous, and People of Color (BIPOC) households into homelessness and create additional barriers for people who are already homeless to return to housing.

This program offer provides economic opportunity to more than 100 people experiencing or at risk of homelessness, while at the same time addressing community needs for trash collection, public space maintenance services like graffiti abatement, and the provision of mobile hygiene services. Programs offer entry-level opportunities to earn income while developing a recent work history and various work skills. The programs are operated by a combination of new and established non-profit organizations, and provide services throughout Multnomah County.

As part of the LIP's COVID-19 response investments, this program has been designed to be of limited duration (1-3 years), unless and until a recommendation emerges through the forthcoming workforce planning processes for the Measure.
