Executive Summary

In FY 2022, as an element of the emergency response to COVID-19, in partnership with the City of Portland, three emergency outdoor shelters were established for people experiencing homelessness. As part of the City’s FY 2023 budgeting process, the City allocated American Rescue Plan (ARP) funds for the continuation of operations at two of the existing emergency outdoor shelter sites, as well as additional Safe Rest Village sites, as part of the broader COVID-19 homeless services recovery strategy.

Program Description

In March 2020, following public health guidance, the Joint Office of Homeless Services took immediate steps to limit the spread of COVID-19 within the population of people experiencing homelessness and otherwise mitigate impacts of the pandemic on those experiencing, or at risk of, homelessness. In FY 2021, the City of Portland and Multnomah County worked quickly to expand non-congregate shelter options for people experiencing homelessness. As part of this response, the jurisdictions created three emergency outdoor shelters to keep people experiencing homelessness safe and socially distant. In FY 2022, two of the three sites have been relocated to longer-term sites, and one was decommissioned. Starting in FY 2022, the sites became the operational responsibility of a Joint Office contractor. The sites are each outfitted with prefabricated, insulated hard wall pallet shelters with beds, climate controls, safety features, and electricity, providing approximately 73 residents each night with food, clean water, sanitation, social service navigation, mental health supports, and more. One of the existing sites was designed to specifically serve members of the LGBTQIA2S+ community and another is prioritized to the needs of Black, Indigenous and People of Color (BIPOC).

In FY 2024, City funds will be used by the Joint Office to continue operations of the sleeping pods at the Queer Affinity and BIPOC outdoor shelters. This Program Offer also includes funding to support staff capacity in the Joint Office of Homeless Services to continue work on the expansion of alternative shelter options.

In addition to funding the continued operations of these two existing outdoor physical distancing shelters, this program offer funds the operations of the planned six Safe Rest Villages with up to 320 sleeping pods. These physical distancing shelters will be operated by JOHS contractors and offer immediate safety off the streets for people living in encampments. Each Safe Rest Village (SRV) will provide individual sleeping structures, common area structures for gathering, eating, and hygiene, and provide wrap-around support services to assist people to transition to permanent housing. There will be a particular focus on connecting people to needed behavioral health resources.

Performance Measures

Measure Type	Primary Measure	FY22 Actual	FY23 Budgeted	FY23 Estimate	FY24 Offer
Output	Number of emergency alternative shelter beds	N/A	393	273	393
Outcome	Overrepresented BIPOC and LGBTQIA2S+ supported at a rate as high or higher than percent of population	Yes	Yes	Yes	Yes
Outcome	Number of people sheltered in existing outdoor physical distancing shelters*	153	100	300	780

Performance Measures Descriptions

*These sites are transitional in nature, anticipate longer stays, and the ongoing effects of the pandemic limit anticipated move-outs to housing

Legal / Contractual Obligation

The Joint Office of Homeless Services is authorized by an Intergovernmental Agreement between Multnomah County and the City of Portland.
