Portland School District Measure

26-259  
Bonds to Improve Health, Safety, and Learning; Modernize, Repair Schools

**Question:** Shall Portland Public Schools repair, modernize schools; increase health, safety; by issuing bonds estimated to maintain current tax rate?

If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

**Summary:**  
Measure authorizes up to \$1.83 billion in principal amount of general obligation bonds for facilities and education investments.

If approved, this measure would finance capital costs, including:

**Update, Repair Aging Elementary and Middle Schools:**  
· Update/replace major building systems, including roofs, siding, heating/cooling

**Make Schools Safe and Secure:**  
· Update safety, security systems  
· Seismic upgrades

**Modernize, Improve Educational Materials, Technology and Schools:**  
· Renovate/replace schools, including Cleveland, Ida B. Wells (formerly Wilson)  
· Upgrade curriculum materials, technology, including student devices

**Increase Extracurricular Opportunities:**  
· Upgrade/expand high school athletic facilities; create district-wide athletic hubs at Jackson, Marshall  
· Update high school performing arts/theater facilities

Requires community accountability/oversight; independent audits of projects and expenditures

Bonds may be issued in one or more series, each series maturing in 30 years or less.

Due to declining debt service, measure is not expected to increase PPS's bond tax rate above \$2.50/\$1,000 assessed value, the rate that has been targeted since 2017 bond. Actual rates may differ based on interest rates and changes in assessed value.

Scappoose Fire District Measure

5-305  
Continue Five-Year Local Option Levy for Scappoose Fire District

**Question:** Shall Scappoose Fire District continue a \$1.99 per \$1,000 levy for another five years to fund essential medical/fire operations? This measure renews current local option taxes.

**Summary:**  
The proposed measure seeks to continue a levy of \$1.99 per \$1,000 of assessed property value for the Scappoose Fire District, funding essential operating expenses from 2027 to 2031. This revenue is critical for several key services, including the continuous staffing of two ambulances 24/7 including the medications and equipment that supports response operations. The funding will ensure compliance with NFPA medical testing for firefighters. Levy funds are also used to fulfill federal and OSHA personal protective equipment testing requirements and replacement. Funds will be used for annual safety inspections and maintenance for the four fire stations. Levy funds are also used to maintain NFPA and federal compliance for emergency vehicles maintenance and replacement when needed. Projected revenue from the levy is estimated to be \$3,381,674 in 2027, \$3,483,125 in 2028, \$3,587,618 in 2029, \$3,695,247 in 2030 and \$3,920,287 in 2031, ensuring essential resources for community safety. The estimated tax cost is based on data from the county assessor and considers potential early payment discounts, compression, and collection rates.
