County Measure

Referred to the People by the Board of County Commissioners

26-221 Five year levy: Oregon Historical Society Library, Museum, educational programs.

Question: Shall County renew 5-year history museum, library, educational programs levy; maintain \$.05 per \$1,000 assessed value, oversight, beginning 2021? This measure renews current local option taxes.

In 2016 voters approved a five-year local option levy of \$.05 per \$1,000 assessed property value to support the Oregon Historical Society (OHS). Renewal of this levy will continue support to the OHS's museum, library, educational programs, and fund the following without increasing taxes:

- Educational programs;
- Free admission to school groups and Multnomah County residents;
- Preservation of important Oregon treasures and artifacts;
- Support four County historical societies: Fairview-Rockwood-Wilkes Historical Society, Gresham Historical Society, Troutdale Historical Society, and Crown Point Country Historical Society;
- OHS will continue to build on its efforts to provide exhibits and services that reflect the diverse histories of our region, and engage all parts of our county.

Levy continues rate of \$.05 per \$1,000 assessed property value, and replaces the 2016 levy. A home assessed at \$200,000 pays \$10 a year.

An independent citizen oversight committee will review expenditures to verify that funds are used as approved by voters. Annual audits will be conducted and made public.

The levy will produce an estimated \$3.35 million for fiscal year 2021-2022; \$3.41 million for fiscal year 2022-2023; \$3.57 million for fiscal year 2023-2024; \$3.72 million for fiscal year 2024-2025; and \$3.87 million for fiscal year 2025-2026.

The estimated cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate.

Scappoose Fire District Measure

5-285 Replacement five-year local option levy for emergency service operations.

Question: Shall District levy \$1.99 per \$1,000 of assessed value for five years beginning 2021-2022 for emergency service operations? This may cause property taxes to increase more than three percent.

Scappoose Rural Fire Protection District provides fire, rescue, and emergency medical services.

With this measure, the District's elected Board of Directors is asking voters to replace the current local option levy of \$1.24 per \$1,000 of assessed value.

In 2020 SFRD responded to 1,916 calls of which 40% were overlapping medical call, which is a 15% increase from 2016. The community's demand for Fire and EMS response is increasing.

The current local option levy funds over 60% of operations for fire and ambulance response for the district. This proposed levy will retain all current emergency response staff and add three additional 24-hour positions. This will fund 2 ambulances 24/7 and improve response times with overlapping calls.

The new local option levy would increase the existing levy by \$0.75, making this new local option levy \$1.99 per \$1,000 of assessed value and will begin 7/1/2021. The new rate of \$1.99/\$1000 on a home with a \$200,000 assessed value would increase your taxes \$150.

The levy would raise approximately \$2,668,639 in 2021-2022, \$2,745,608 in 2022-2023, \$2,827,977 in 2023-2024, \$2,912,816 in 2024-2025, and \$3,000,200 in 2025-2026, for a total of \$14,155,040.
