Executive Summary

The Sheriff's Office Court Security Unit includes provisions for court security and safety at the Multhomah County Justice Arraignment courts, escorting inmates from jails to court proceedings and taking persons into custody when ordered by the court. Court security is an integrated approach to the judicial process that ensures the integrity and safety of the court system and its participants, by effectively evaluating, planning and pro-actively managing threats and potential threats directed to the court system while providing a safe court environment for the judiciary and all attending from the public.

Program Summary

The Court Services Unit provides security for the four Arraignment Courts located at the Justice Center. These are extremely busy with community courts, felony and misdemeanor arraignments and hearings, with both in custody and numerous defendants from the public, creating the need for a safe courtroom environment.

The Sheriff is mandated to provide security for the Courts and to provide safe and secure access to the court(s) for inmates, a direct link to Offender Accountability. Arraignment is the first step of the court process for a defendant and critical to the court process. Lack of court security would create severe delays, due to increased security concerns.
