The Economic Development Program in the County Finance Division works with the Chief Financial Officer to leverage existing county programs and policies to enhance the competitiveness of local businesses, increase the economic success of all county residents, and engage Multnomah County businesses as vital members of the community.

#### **Program Summary**

This program offer now incorporates previous year program offer 10019 Economic Development and transfers one position. This function was formerly budgeted as a Non-Departmental program. Economic development efforts and activities will be under the Chief Financial Officer.

The Economic Development program identifies opportunities to increase the stability and quality of the workforce, decrease unemployment and underemployment for all county residents, bring more capital and technical assistance to small businesses, and foster an environment where business and the broader community participate respectfully in constructive dialogue. The program works with businesses, trade associations, labor groups, non-profit organizations, other County divisions, and the state, federal and other local governments to identify and pursue these opportunities. The program oversees and reports on Multnomah County's expenditures of State Lottery Funds and provides staff support to the Business Advisory Council. This function was formerly budgeted as a Non-Departmental program.
