Measure 117
Gives voters option to rank candidates in order of preference; candidate receiving majority of votes in final round wins

Result of "Yes" Vote: "Yes" vote gives voters the option to rank candidates in order of preference for specified federal and statewide offices. Establishes process for tallying votes in rounds, with the candidate receiving the fewest votes in each round being defeated and votes for the defeated candidate going to the voter's next-highest ranked active candidate. Requires that candidate must receive majority of votes in final round of voting to win election.

Result of "No" Vote: "No" vote maintains current voting system. Voter selects one candidate for federal and statewide offices. Candidate with most votes wins. Majority of votes not required for candidate to win election.
