Executive Summary

The Adult Community Service Program (CS) provides an effective, cost-efficient sentence / sanction that is available to the Courts and Parole/Probation Officers. CS promotes public safety by engaging corrections clients in a pro-social occupation of their time, as well as teaching pro-social skills and promoting anti-criminal thinking patterns. CS assists clients with their court mandated obligations of community service work and provides sanctioning services to Formal Probation clients.

Program Summary

Community Service provides the courts and Parole/Probation Officers (PPO) with a cost-effective method of holding offenders accountable while providing reparations for the community. Clients are referred to Community Service by the Courts and by PPO's. Courts sentence offenders to community service as a condition of probation and PPO's can sanction offenders to complete community service as a consequence of a supervision violation. Over 100 non-profit community organizations use offenders in this program for non-paid work. Along with being an alternative sanction to jail, CS also provides offenders the chance to give back by improving the livability of the community through the work that is accomplished in this program.

Offenders work in parks and assist non-profit agencies in a variety of projects that benefit the community. DCJ Community Service crews have averaged approximately 75,000 hours of work for the community over the past year. CS also represents a sanctioning option that monitors offenders, holds them accountable and reserves jail beds for the most violent offenders.

The Juvenile Community Service / Project Payback Program provides youth with the ability to fulfill their Court mandated obligation while earning money to pay their ordered restitution. Over the past year, the Juvenile CS Division crews worked approximately 11,076 hours in the community and paid \$66,661 in payments to the Court and individual victims for restitution.

The Multnomah County Juvenile Community Service program has two components: Community Service and Project Payback. Youth work doing landscaping work and litter clean-up in much needed areas. Project Payback gives youth the opportunity to earn money that goes directly to pay owed restitution. Both Community Service and Project Payback provide youth with a pro-social activity while teaching valuable skills in working with hand/power equipment. Youth learn landscaping techniques, tool maintenance, and how to safely and efficiently accomplish tasks.
