Multnomah County				
Program #91018 - Trans	sportation Capital			4/21/2014
Department:	Community Services	Program Contact: Kare	en Schilling	
Program Offer Type:	Existing Operating Program	Program Offer Stage: As F	Proposed	
Related Programs:	91013, 91016, 91020			
Program Characteristic	s:			

Executive Summary

The Transportation Capital program represents payments to contractors for capital improvement projects on County-owned Willamette River bridges (Sellwood, Hawthorne, Morrison, Burnside, Broadway and Sauvie Island) and County road infrastructure including bicycle, pedestrian facilities and culverts. The purpose of this program is to maintain and enhance the existing transportation system by identifying needs, prioritizing projects and securing funding to construct projects.

Program Summary

Current capital needs are identified in the Transportation Capital Improvement Plan that outlines needed Road and Bridge improvements for the next 20 years. The Transportation Capital Program prioritizes the projects and schedules projects to match available and new funds projected for a 5-year period. Capital improvements are relatively high dollar projects to rehabilitate, improve, or replace when needed, transportation infrastructure assets such as roads and bridges. This program represents County and other fund sources that pass through the County, to make capital improvements on County owned bridges, roads, bicycle/pedestrian facilities and culverts.

This program is dependent upon Bridge Engineering and Roadway Engineering programs to provide County labor, to plan and oversee the design and construction associated with capital projects. Projects are identified, prioritized and scheduled in the Transportation Capital Improvement Program (CIP) to match available funds. This program is approved by the Board of County Commissioners. Transportation staff pursue outside sources of funding through grants and collaborative agreements for these projects. The County's transportation infrastructure assets are valued in excess of \$1.7 billion dollars, thus we deem it very important to protect these assets. Many factors contribute to the constant degradation of the transportation infrastructure which demands constant effort to maintain the current status.

Recent CIP updates include equity and health criteria for rating and ranking roadway, bike and pedestrian projects. In the coming years, similar criteria will be considered for bridge and culvert projects. The major transportation capital projects included in the FY2015 budget are the Sellwood Bridge replacement (program offer 91017), Broadway Bridge Paint and Rall Wheels and Burnside Bridge Miscellaneous Repairs. Other roadway projects are scheduled in East County and include bike and pedestrian improvements to Arata Road and freight mobility improvements to a section of Sandy Boulevard.

Performance Measures						
Measure Type	Primary Measure	FY13 Actual	FY14 Purchased	FY14 Estimate	FY15 Offer	
Output	Dollar value of capital improvements	\$7,758,303	\$9,454,000	\$2,482,014	\$9,970,410	
Outcome	Percent of cost growth	0%	0%	0%	0%	
Performance Measures Descriptions						

Dollar value of capital improvements includes all County funds spent, regardless of source. The percentage of cost growth compares the total construction cost at the beginning of the fiscal year to the total construction cost estimate at the end of the fiscal year for major projects. This measures the ability to control cost growth during construction. FY2014 estimate and FY2015 offer do not include any Morrison Repair work.

Legal / Contractual Obligation

This program is mandated by Federal Regulation CFR Title 33 which covers the responsibilities of drawbridge owners; ORS 366.744 and ORS 382.305-382.425 specifically addresses the Willamette River Bridges; ORS 366.514 addresses the Bike and Pedestrian Program; ORS 368 addresses the Road Capital Program, and revenue sharing agreements with the cities of Portland, Gresham, Fairview and Troutdale.

Revenue/Expense Detail

	Proposed General Fund	Proposed Other Funds	Proposed General Fund	Proposed Other Funds
Program Expenses	2014	2014	2015	2015
Contractual Services	\$0	\$5,387,500	\$0	\$303,222
Internal Services	\$0	\$535,006	\$0	\$481,716
Capital Outlay	\$0	\$9,454,000	\$0	\$10,920,410
Unappropriated & Contingency	\$0	\$409,575	\$0	\$406,800
Total GF/non-GF	\$0	\$15,786,081	\$0	\$12,112,148
Program Total:	\$15,786,081		\$12,112,148	
Program FTE	0.00	0.00	0.00	0.00

Program Revenues				
Indirect for Dept. Admin	\$10,021	\$0	\$9,052	\$0
Intergovernmental	\$0	\$15,325,506	\$0	\$9,312,445
Interest	\$0	\$1,800	\$0	\$1,800
Beginning Working Capital	\$0	\$408,775	\$0	\$2,497,903
Service Charges	\$0	\$50,000	\$0	\$300,000
Total Revenue	\$10,021	\$15,786,081	\$9,052	\$12,112,148

Explanation of Revenues

Revenues come from dedicated Transportation Funds for construction, repair, maintenance and operation of County roads, bridges and bicycle/pedestrian facilities. Capital projects in this program receive allocations from State Motor Vehicle revenues (i.e., state gas tax, vehicle registration fees, weight/mile tax), County gasoline tax, County vehicle registration fees, permits, development charges, State and Federal grants, and intergovernmental agreements. Revenues from payment in lieu of construction funds account for \$300,000 in this fiscal year.
