- Reporting and remitting pension contributions to the Public Employees Retirement System;
- Administering the County's IRC §457 deferred compensation program;
- Ensuring that timekeeping and wage payments are done in compliance with Federal and State wage and hour laws, labor contracts and County Administrative guidelines.
- Reconciling and remitting mandated deductions for creditor garnishments, child support, bankruptcies, tax levies and union dues.
- Reconciling and producing year-end tax statements for employees (W2's) and vendors (1099's) of Multnomah County following strict federal and state regulations.

Payroll protects County funds by ensuring that employment taxes, wage and tax statements, and pension payments are processed and remitted timely to avoid assessment of fines for noncompliance. This program contributes to the Climate Action Plan, Local Government Operations section, item 18-8 related to reduction of waste by providing electronic disbursements of wages to employees' financial institutions and providing paperless notification of their deposits. Currently 97% of employees participate in direct deposit of funds and of those, 92% receive the notification of deposit via email.

Explanation of Revenues

This program is supported by General Fund revenues. External revenues for the deferred compensation program are contractually negotiated with the County's deferred compensation provider through a revenue sharing agreement. All administrative costs associated with the program are paid for through the agreement. The revenue sharing enables the County to offer the program to employees at no cost to the County. The current reimbursement for FY 2015 is \$125,706 and is adjusted each following year by the CPI-U amount. The remaining \$2,400 is miscellaneous revenue.
