## **Executive Summary**

This offer provides for Law Enforcement Deputy Sheriff services to the court(s) of the Juvenile Justice Complex. Deputies assigned to the Juvenile Justice Complex are part of an integrated approach to the juvenile judicial process which ensures the integrity and safety of the juvenile courts, its participants and the facility by effectively evaluating, planning and proactively managing safety and potential threats toward the court system. Deputies also deliver juvenile defendants to and from court matters as required by state statute.

## **Program Summary**

Deputy Sheriff Services are necessary to both the delivery of defendants and security of the court facility and operation. Deputy Sheriff presence allows for response to incidents within the court rooms and facility as a whole. Deputies assigned assist with coordination of internal movement of juveniles with detention staff and counselors to court proceedings and attorney visitation. The Deputy's presence in the courtroom is essential for safety to the judiciary, staff and public as many of the proceedings convene as family dependency cases, related domestic cases and Measure 11 youth. In additional to court system responsibilities, deputies conduct transports of juveniles to and from Oregon Youth Authority facilities, at times assisting in transporting juveniles to court proceedings arranged at the courthouse in downtown Portland. The Sheriff is mandated to provide security for the Courts and to provide access to the court for juvenile defendants, a direct link to Offender Accountability. Delays can result in criminal justice complications, which may lead to legal action or other proceedings by the Courts. Delays also contribute to slow courts.
