Program Characteristics:

Executive Summary

The Health Department Director's Office provides leadership for the broad mission of the department including strategic planning, legislative initiatives, integration of department activities, communications, integration with other county departments and health care transformation. The director leads the department leadership team which includes management of both clinical and public health functions.

Program Summary

The director and department leadership team are responsible for integration of health services and operations to provide quality, best practice services; strategic partnerships with a wide range of community organizations; leadership and direction for public health issues and policy; stewardship of finances, facilities and personnel; continuous improvement of service delivery; public health emergency preparedness and support for a diverse and qualified workforce with high job satisfaction.

The Director's Office is responsible for leadership committed to the Health Department's mission, vision, values and strategic objectives. The office is the primary liaison to federal, state, county and local elected officials. The director works with other county departments and community partners to lead the implementation of health care transformation within the County.

Performance Measures									
Measure Type	Primary Measure	FY13 Actual	FY14 Purchased	FY14 Estimate	FY15 Offer				
Output	Increased access to Health Dept. services as measured by # of clients served.	156,237	168, 925	158,424	160,642				
Outcome	Annual Federal and State resources \$ leveraged for services (expressed in millions.)	\$99 mil	\$103 mil	\$96 mil	\$102 mil				
Output	# of times MCHD is in local and national news media	39	70	70	70				

Performance Measures Descriptions

In FY 13-14, we changed the # of business related/professional all staff dept communication to the # of times MCHD is in the local and national news media. This measure is more meaningful as it highlights internal and external communication efforts and increased visibility. ~700 clients from Westside Health Center were transferred to Central City Concern in FY13.
