Optional Information:

I am dedicated to preserving full funding of police and fire for our city by finding economies in the budget with the existing revenue stream. Emergency services are vitally important to families and individuals in crisis.

Since the murder of my sister Jessie in Gresham in 2013, the importance of funding emergency services is more personal to me. With a firm perspective of funding essential city services first, we can provide for our communities without having to add additional taxes and fees.

As a young wife and mother, I hope to bring a fresh perspective to the city council.
