Matthew P. Castor

Candidate – City Council, City of Maywood Park, Oregon

Nov 2014 General election

Optional Candidate Statement

Maywood Park embodies what many growing cities have lost over the years. Strong community values, pride in our homes, and a connectedness with our neighbors. These things make for a place that is reminiscent of the neighborhoods in which so many of us were raised and are a part of why we all value that small town feel. I want to help ensure that as we move into the future, those qualities we value are not lost so our children will grow up learning what qualities truly make a great community.

If elected, I hope to:

- Maintain our strong relationships with Public Safety agencies.
- Help to explore viable options for our communities aging individual onsite waste management systems.
- Help further plans for a new long term home for our city government.
- Develop partnerships & guidelines that will promote green energy incentives to our residents.
- Help improve the dissemination of information on local issues to maintain fairness and transparency in city government.
- Continue the improvement of our City's green spaces.

I would truly value the opportunity to serve on our council and thank you for your consideration.

– Matthew Castor
