Next Steps

- Youth program provider input session
- Stakeholder meetings
- Discuss core funding level with SUN CS Providers at Supervisors Meeting
- Complete synthesis of community input sources
- Model Development Team Meetings – 10/7 and 10/22

11/7 Meeting Content and Format

- Similar to High School Recommendation Document
 - Background on overarching SUN model
 - Operating Costs
 - Minimum depth (priority service needs)
 - Different grade level needs
 - Infrastructure and Staffing
- Summarize the process and results
- Describe short and long term roll out
- Context for adding new sites
