

Memorandum

Date: February 18, 2015
To: Comprehensive Plan Community Advisory Committee
From: Rich Faith, Senior Land Use Planner
Subject: Subcommittee Assignments

The table below shows the assignments of CAC members to the four subcommittees. Assignments were made based upon your stated preferences, achieving balanced representation and avoiding anyone having to serve on more than one subcommittee. There are fifteen CAC members to be spread among the four subcommittees because one member is unavailable to serve on a subcommittee due to work conflicts.

The subcommittee selections are balanced by number of members and by geographical area representation (East County / West County). The Transportation/TSP subcommittee has only three members but if another CAC member is interested in also serving on this subcommittee, it will bring all the subcommittees to four members.

Based on the approach we have taken, all but five CAC members have been assigned to a subcommittee that was their first preference, with those five members being assigned to a subcommittee that was their second choice.

Subcommittee Assignments:

Farm/Forest and Rural Economy	Rural Area	Land Use	Rural Area
Aaron Blake	East of Sandy	Catherine Dishion	East of Sandy
George Sowder (2)	West Hills	Kathy Taggart	West of Sandy
Linden Burk	East of Sandy	Tim Larson	SIMC
Paula Sauvageau (2)	West Hills	Will Rasmussen	West Hills

Transportation / TSP	Rural Area	Air, Land, Water, Wildlife, Hazards	Rural Area
Andrew Holtz	Portland resident	Jerry Grossnickle	West Hills
Martha Berndt (2)	SIMC	Marcy Houle	SIMC
Sara Grigsby (2)	East of Sandy	Ray Davenport (2)	East of Sandy
		Stephanie Nystrom	East of Sandy

Note: The (2) indicates this subcommittee was the CAC member's second choice
