Executive Summary

The Health Department's Director's Office provides leadership for the broad mission and vision of the department. The Director leads and guides strategic planning, legislative initiatives, integration of department activities and public health function communications, collaboration with other county departments, and is integral to innovation in preventive and population based community health.

Program Summary

The Director and Department Leadership Team are responsible for developing and maintaining strategic partnerships with a wide range of community organizations; integration of health services and operations to provide quality, best practice services; leadership and direction for public health issues and policies; stewardship of finances, facilities and personnel; continuous quality improvement of service delivery; public health emergency preparedness, and support for a diverse and qualified workforce with high job satisfaction.

The Director's Office is responsible for leadership committed to the Health Department's mission, vision, values and strategic objectives. The Office is a primary liaison to federal, state, county and local elected officials. The Director works with other county departments and community partners to further innovation in preventative and population based community health services that produce healthy people in healthy communities. The Director also works with a wide range of local organizations, health systems and other counties to implement public health, behavioral health and safety net health care across the region.
