Executive Summary

In FY 2021, ICS received technical assistance from HRSA regarding financial and governance requirements related to FQHCs. This included clarification of how FQHC funds could be applied to services of the health center and staff roles which also supported non-health center svcs in Corrections Health and Public Health Programs. After review, HRSA clarified that funds from the FQHC cannot be spent on these out-of-scope programs or for staff who support out-of-scope activities. In response, MC removed County General Fund allocations from the ICS Budget and re-allocated them to Corrections Health and Public Health services to support out of scope activities. MC will use the County General Fund to support these services in FY 2022 and going forward. The Coalition of Community Health Centers is part of these services.

The Coalition works to foster collaboration among its 17 members to improve access to healthcare for medically underserved populations. Multnomah County provides funding to support the Coalition's infrastructure and to support goals centered on advancing health equity.
