

Legal / Contractual Obligation

ORS 431 and 433 empower the County and Health Department to supervise matters related to preserving the life and health of the people of the County. An intergovernmental agreement with the Oregon Health Authority (Public Health Division) specifies requirements for public health preparedness activities supported with federal CDC funds. A separate IGA with Oregon Health Authority guides regional healthcare system preparedness goals and activities supported with Federal US Dept. of Health and Human Services funds. Both sources of federal funds are dedicated to emergency preparedness, and cannot supplant other funding or be used to build general public health capacities.
