Significant Program Changes

Last Year this program was: FY 2020: 40010A-20 Communicable Disease Prevention and Control

In FY 2021, tuberculosis clinical services (TB evaluation and latent TB treatment) are being moved from 40010A Communicable Disease Prevention and Control to 40010B Communicable Disease Clinical and Community Services. This move is the next step in integrating public health clinical services, which began in FY 2020 when the CD and STD/HIV clinics were combined into a single clinic.
