Explanation of Revenues

Medicaid/Medicare eligibility receives funding from the Division of Medical Assistance Programs (DMAP) which provides compensation to eligible Federally Qualified Health Centers (FQHCs) for outreach activities. DMAP provides compensation through calculating a rate that is equal to 100% of allowable, specific direct costs according to OAR 410-147-0400. The revenue for FY16 is based on actual expenses from FY2015. DMAP disallows the cost of supervision, office support and interpretation services. General fund provides funding for expenditures not covered by state funding.
