Executive Summary

Medicaid Enrollment assists uninsured and under-insured Oregonians gain access to health services by providing application and enrollment assistance and advocacy to families and children applying for state and federally provided Medical and Dental Coverage as well as other forms of assistance. Additionally patients are screened for eligibility to sliding scale fees for services received, if they are unable to obtain coverage otherwise. Last year, more than 13,000 clients were screened and 4,000 children insured.

Program Summary

The Medicaid Enrollment program provides outreach and education efforts which increase the number of clients who complete the OHP enrollment process; access to health care services (particularly for pregnant women and children); and ensures continuity of coverage at re-certification. The program aims to provide dignified access to health care for County residents in collaboration with existing Multnomah County services, and addresses the Basic Needs strategy to provide access to care, by securing insurance coverage for eligible individuals.

Explanation of Revenues

Medicaid/Medicare eligibility receives funding from the Division of Medical Assistance Programs (DMAP) which provides compensation to eligible Federally Qualified Health Centers (FQHCs) for outreach activities. DMAP provides compensation through calculating a rate that is equal to 100% of allowable, specific direct costs according to OAR 410-147-0400. The revenue for FY16 is based on actual expenses from FY2015. DMAP disallows the cost of supervision, office support and interpretation services. General fund provides funding for expenditures not covered by state funding.
