Executive Summary

Northeast Health Center (NEHC), provides comprehensive, culturally appropriate primary care, enabling, and behavioral health services to the uninsured and under-insured residents of Northeast Portland and is part of the County's Federally Qualified Health Center (FQHC). The Northeast Clinic was strategically placed to provide vital services to a population that otherwise may not have access to medical care. The clinic provides care to approximately 4900 patients that identify Northeast Health Center as their primary care home.

Program Summary

Northeast Health Clinic primary care services are designed to be a Patient Centered Primary Care Home (PCPCH). This includes reducing barriers to access, integration of behavioral health services, providing continuity and coordination of services and collaboration with community partners. Culturally competent primary care services are provided and include: treatment of acute and chronic illnesses, behavioral health, family planning, prenatal and preventive services (well child, immunizations). Ancillary support services are operationally integrated and include pharmacy and lab. Enabling services include Medicaid eligibility screening, medical interpretation, transportation, case management and health education. Northeast Health Clinic plays a significant role in providing safety net medical services to residents in the community.

Significant Program Changes

Last Year this program was: FY 2019: 40020-19 Northeast Health Clinic

This clinic is part of the State's Alternative Payment Methodology "APM" pilot (paid PM/PM fee to manage care of OHP patients). Beginning 07/01/2019 OHA will discontinue PM/PM payments for those clients who have not had a visit or "CareStep" (engagement with a non-billable provider such as a Community Health Worker) at the clinic in a 24 month period.

Northeast Health Clinic staffing was reduced by 6.60 FTE.
