Explanation of Revenues

SBHCs are supported by federal BPHC grant, state family planning grant, State School Based Health Centers grant through the intergovernmental agreement between Multnomah County as the Local Public Health Authority (LPHA) and the State of Oregon Public Health Services, as well as enhanced Medicaid/Medicare fee revenue. County General Fund is used as local in-kind to obtain and keep Primary Care and Family Planning grants and to serve uninsured patients. Additionally Kaiser Permanente and SBHC's entered into an agreement to provide payment for the 500+ Medicaid and commercially insured Kaiser members seen in the SBHCs. This agreement has been under negotiation for years and represents one of the first of its kind for Kaiser Permanente.

Medical Fees: \$2,750,814; State SBHC grant: \$689,720; Federal Primary Care grant: \$212,835; Providence Outreach grant: \$159,140; State Family Planning grant: \$80,001

Significant Program Changes

Last Year this program was: 40024 School Based Health Centers

The SBHC program was awarded a \$500,000 HRSA grant in FY14, for capital expenditures for the renovation of a clinic inside Centennial High School. This renovation project will enable the SBHC to begin providing the first school-based health services in the Centennial area and East county. The project is expected to be completed in the spring of 2014, and it is expected to provide services to about 600 school-aged youth annually. The FY15 operating budget is similar to FY14, FY14 is higher because of the capital grant. In FY15, State funding was increased by an additional \$12,000 per year/per SBHC site.

A part-time Program Coordinator, Health Educator and a full-time Office Assistant were added to FY15.
