**Executive Summary**

The Student Health Center (SHC) (formerly School-Based Health Centers) program provides access to comprehensive preventive, primary, and mental healthcare for Multnomah County school-aged youth at 12 school-based health centers and is part of the County's FQHC. Without this safety net, many school-aged youths would not receive necessary health care.

**Program Summary**

The SHC sites provide comprehensive preventive primary care for school-aged youth to keep them healthy and focused on learning. This is achieved through partnerships with schools, families, healthcare providers and community agencies.

This program offer creates a sustainable and operationally efficient program that maximizes health impact for children and youth in Multnomah County and supports staffing, transition planning, and community engagement with students served by SHCs in K-8 and middle schools, as well as continuing planning work with East County School Districts. The program strives to ensure that basic physical and behavioral health needs of youth are met to help them attend, participate and remain in school.
