**Executive Summary**

La Clinica de Buena Salud (The Good Health Clinic), provides comprehensive, culturally appropriate primary care and behavioral health services to the under and uninsured residents of the NE Portland, Cully Neighborhood and is part of the County's FQHC. La Clinica was strategically placed, in partnership with the local community, to provide culturally competent care and vital services to a population that otherwise may not have access to medical care.

**Program Summary**

La Clinica provides culturally appropriate services, and Patient Centered Primary Care Home (PCPCH) services, preventive health and enabling services such as transportation, translation, case management and health education which address the needs of the whole person. La Clinica health and social services team includes: primary, preventive and urgent health care, behavioral health services, case management and resource referral. Although La Clinica was initially intended to primarily serve the Latinix community, the program has expanded and responded to the area's changing demographics which includes the Somali immigrants and refugees, Vietnamese, and Russian speaking families in the Cully neighborhood and beyond.
