Executive Summary

Lab, and Health Information Management provide essential clinical support to health delivery and emergency preparedness programs in the Health Department. These programs support the delivery of care to clients of Health Department services (including Primary Care, School Based Health Clinics, Disease Prevention Clinics, Dental and Corrections Health.) The lab handles approximately 240,000 specimens per year. Medical Records fulfills 12,000 medical records request per year.

Program Summary
Laboratory:

Test clinical and environmental specimens, manage contracts, prepare for bio-terrorism and other emergencies and the surveillance of emerging infections. The laboratory assists in the diagnosis, treatment, and monitoring of clients receiving health care in Health Department facilities.

Health Information Management:

Manage medical records systems to ensure comprehensive clinical documentation and compliance with all applicable licensing, regulatory and accreditation standards. Also fulfills role of Health Department's Privacy Official as required by HIPAA. Health Information Management ensures proper documentation of health care services and provides direction, monitoring and reporting of federally required HIPAA compliance activities.

Performance Measures Descriptions

Legal / Contractual Obligation

Federal and state mandates require maintenance of medical records. HIPAA and state confidentiality and privacy laws require adherence to standards. Various grants require provisions for laboratory services. The Electronic Health Record (EHR) and Practice Management contractual obligations will be as per the contractual agreement between Multnomah County Health Department (MCHD) and OCHIN. Multnomah County Health Department is the client receiving services from OCHIN in this agreement.
