Program Characteristics:
Executive Summary

This program is responsible for providing all financial reporting and forecasting, grant accounting, budget development and monitoring, and accounts payable for the Health Department. They are liaisons for the department with the Department of County Management (e.g. Budget Office, Central Finance) and are responsible for adhering to County budget, financial and administrative procedures, policies and practices.

Program Summary

This group manages all of the financial reporting, billing and collection services for grant-funded programs. It prepares and reviews the Health Department's financial reports and forecasting, as well as develops and maintains the Department's budget. Accounts Payable and travel and training services are also provided.

Budget and Finance works closely with County staff in the CFO's office, Budget office, and central finance. Compliance with a multitude of Federal, State and County financial policies and procedures is a key responsibility of this division.

Performance Measures

Measure Type	Primary Measure	FY14 Actual	FY15 Purchased	FY15 Estimate	FY16 Offer
Output	(new measure) # of invoices processed	7,798	new	8,200	8,500
Outcome	Avg # of days from receipt to recording revenue in County's accounting system.	10 days	10 days	8 days	8 days
Quality	Number of audit findings in County's annual financial audit.	no findings	no findings	no findings	no findings

Performance Measures Descriptions

The first measure was a Contracts output measure, which has been moved to another program offer. The addition of the accounts payable measure, "# of invoices processed," along with "Avg # of days..." and "Number of audit findings" provides a good cross section of accounting measures.
