Executive Summary

Health Department Contracts and Procurement advises, prepares and processes all contracts, intergovernmental and professional service agreements for the department. They also provide purchasing support for the procurement of a wide array of products, goods and services.

Program Summary

Health Department Contracts and Procurement processes more than 500 contracts, intergovernmental and professional service agreements for the department. They also provide purchasing support for the procurement of a wide array of products, goods and services, totaling more than \$ 30 million per year. They safeguard the department from risk; ensure compliance with federal and state public procurement laws and regulations; seek out cost effective high quality goods and services for the Health Department clinics, programs and activities.

This program also manages the vaccine depot where vaccine is received, stored and distributed, in the safest manner possible, using cold-chain management strategies which follow State and Federal guidelines. In addition, responsibilities include vaccine storage, handling and distribution among 13 school-based health clinics, 12 primary care and specialty clinics and three correctional facilities. The vaccine stored at this location includes childhood and adult vaccines, influenza and tubersol. The depot processes on average, 80 orders per month. This is the primary point of contact for routine vaccine services management and in the event of an emergency public health response that requires vaccine prophylaxis.
