Executive Summary

The Behavioral Health Division operates a 24-hour, 365-day-a-year behavioral health crisis response system, including a 24/7 crisis and resource hotline, a 24/7 mobile crisis outreach team and a seven day a week crisis walk-in clinic that serves every member of Multnomah County. Due to CGF budget reductions in Fiscal Year 2021, this offer will keep current service capacity whole.

Program Summary

The behavioral health crisis system in Multnomah County is comprised of several interconnected services: Multnomah County Call Center – operated by Multnomah County 24/7, 365 days/year. The Call Center is the hub for behavioral health crisis services for all county residents regardless of insurance status. The Call Center triages and deploys crisis resources, such as mobile outreach; Project Respond – Mobile outreach service provided by clinicians and peers and the urgent walk-in clinic, provides crisis counseling, manages division program referrals, links callers to behavioral health services and community education on suicide prevention, and authorizations for indigent medications, crisis housing, and transportation. The call center also receives warm transfers from the Portland Bureau of Emergency Communications (BOEC/911) for callers that are in a behavioral health crisis and do not have an immediate need for law enforcement, fire, or ambulance.

Urgent Walk-In Clinic (UWIC) – Clinic-based service contracted with a community-based organization, available from 7:00 a.m. to 10:30 p.m. seven days a week/365 days a year, that provides crisis evaluation, triage, and stabilization on a walk-in basis. The UWIC is the only service available to indigent clients in crisis in Multnomah County with access to a psychiatrist or psychiatric mental health nurse practitioner for medication evaluation and treatment. Peer services are also available.

A reduction in crisis services funding will reduce the hours of operation of the Urgent Walk-In Clinic by approximately 32 hours a week. Proposed Daily hours of operation would be Monday-Saturday 8:30 a.m. - 8 p.m. and Sunday 9 a.m. - 4:30 p.m. This will impact the availability of services for up to 700 individuals annually.
