**Executive Summary**

This program offer provides an ongoing portion of the funding necessary for a peer-run supported employment program. Additional funding will come from private foundations and in-kind donations. These peer-run employment and education programs typically secure funding from federal, state, and local governments including municipal mental health departments and the national Substance Abuse and Mental Health Services Administration (SAMHSA). Every dollar of county general fund would directly provide employment assistance for a person with a mental illness.

**Program Summary**

This program offer would continue to support the peer-run supported employment center through continued funding of positions and operating costs. The Supported Employment center offers employment, wellness and administrative support to adults with a mental illness who want to become employed. Continued funding through this offer would ensure that staff can continue to meet the training standards required for Certification. Certification requires that the peer-run entity meet a defined standard of service delivery. Education is tightly linked with income and wealth, and less education is linked with poor health. Peer-run supported employment provides encouragement and assistance for individuals with a mental illness in securing continuing education, and advocating for reasonable accommodations.
