**Executive Summary**

The Family Involvement Team (FIT) for Recovery program is a collaborative effort with Oregon Department of Human Services/Child Welfare, alcohol and drug treatment providers, social service agencies, and the Family Dependency Court. In FY19, the FIT for Recovery program connected approximately 270 unique individuals with addictions treatment and provided enhanced services to assist clients to successfully complete treatment and maintain recovery.

**Program Summary**

The FIT for Recovery Core Team, housed at the Family Dependency Court, works with parents involved with DHS Child Welfare who may have a substance use disorder and be in need of treatment services. Volunteers of America outreach workers, located at Multnomah County DHS offices, begin working with the families by screening parent/s for an addictive disorder and referring to a treatment program.

Once in treatment, FIT case managers at the treatment agencies provide the family with supportive services including case management, family therapy, and family recovery services to assist the parent/family in being successful and in developing a recovery plan. DHS Child Welfare caseworkers assist and collaborate with parent skill building, ensuring child visitation and reunification while in treatment. Peer and parent mentors are also available through the FIT collaborative before, during, and after treatment.

FIT partners include: DHS Child Welfare, Family Dependency Court, Cascadia Behavioral Healthcare, CODA, Inc., Lifeworks NW, Central City Concern, Volunteers of America, Oregon and their Family Recovery Support/Miracles partnership, NARA, Inc., Bridges to Change, Miracles Club, Raphael House and Morrison Center.
