As a longtime resident, a graduate of Parkrose High School, and a parent of three children (One graduate, one senior, and one freshman) within the district; I feel that public education is the Cornerstone of our American society. It enables all people to have a level playing field and gives everyone an equal opportunity to compete for the American dream.

I wish to serve on the Parkrose board at your leisure because I desire to make a difference in our community. Parkrose is more than a school district within the city of Portland; it is a unique community, with an identity unto itself, and the school district sets the tone for the atmosphere of the community.

As a transformational leader, capable of inspiring people around me, I will focus on a vision of the future. A future of educational excellence; safety within all of our schools, and continued opportunity for all of our students.

Naturally the purpose of the district and the school board is to educate the children of our community. As a board member I will fulfill this role and keep the quality of services at the forefront of my decisions, but I will also focus on the community aspect of the district and how it effects all of its' residents.

Even if you don't have children in the district you still can gain the benefits of a strong community centered on our schools. The quality of education pays long term dividends that we can all benefit from through a well educated and free society.
