Tualatin Valley Fire & Rescue

Statement to accompany JCVP-01

Director, Position 4

Randy Lauer

Occupation: General Manager, American Medical Response

Occupational Background: Buck Medical Services/American Medical Response 1981-present: Paramedic, Supervisor, Training Officer, Manager. U.S. Coast Guard 1975-2007, Retired Master Chief.

Educational Background: Howard High School (South Dakota), Diploma; Oregon Health Sciences University, Advanced Paramedic Training; Portland State University, General Coursework.

Prior Governmental Experience: Tualatin Valley Fire & Rescue Board of Directors Position #4, 2011-Present; Tualatin Valley Fire & Rescue Budget Committee, 2010-2011. United States Coast Guard, Retired Master Chief, 32 years of service.

I've had the honor to serve you on Tualatin Valley Fire & Rescue's Board of Directors for the last four years, the most recent two as Vice President. I am asking for your support so I can serve our community for four more years.

As a 34-year District resident, my goal is to ensure that our residents receive fast and effective fire and emergency medical response, with a focus on constantly improving service. I have nearly four decades experience in emergency medical services (EMS), beginning on a volunteer ambulance service, continuing with the U.S. Coast Guard, and then as a Paramedic, trainer, supervisor and manager with American Medical Response.

By being forward thinking and collaborative, TVF&R has become a leader in the dynamic field of EMS. This is vital since more than 80 percent of TVF&R's incidents include medical care. EMS is also a component of healthcare, and successfully navigating the changing course of healthcare requires a focus not only on improving care, but also reducing the cost of care. TVF&R is well poised to excel in the new landscape of healthcare and emergency services because of the hard work by your Board of Directors, the Fire Chief and his Staff, and firefighters on the front line. If reelected, I pledge to continue applying my EMS and business management experience to help TVF&R continually enhance services and make the most effective use of tax dollars.
